

Compat ella[®]

Compat Ella[®] Combiset 1.5L

The Compat Ella[®] Combiset 1.5L is intended for administration of enteral nutrition, fluids or medication and is suitable for use with the Compat Ella[®] feeding pump.

Features at a glance

The Compat Ella[®] Combiset 1.5L features an **integrated 1.5L Flexibaggle[®] reservoir**, an **ENFit[®] 3-way medication port** and an **ENFit[®] distal end** (patient side tube connection).

Built-in Safety: All Compat Ella[®] administration sets feature patented fail-safe **Auto-Anti-Free-Flow (AAFF)** technology. **AAFF** is incorporated into the cassette and is always automatically activated to ensure patient safety.

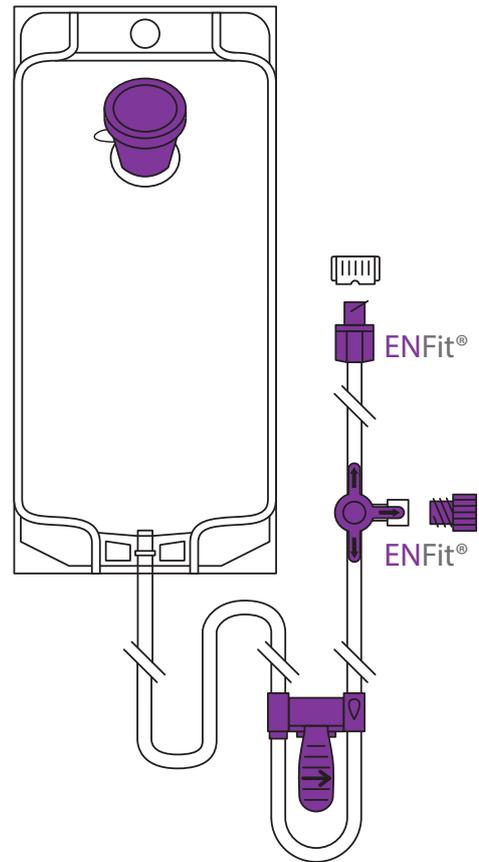

Safer Connectors: All Compat Ella[®] administration sets include **ENFit[®] connectors** made according to **ISO 80369-3**. The **ENFit[®] connector** is designed to be **IV Incompatible** to promote **patient safety** by helping to avoid accidental misconnections.

Convenience: The integrated 1.5L reservoir offers a convenient open system with a **built-in hanger and screw cap**. The **large top-fill opening** allows to refill the bag with nutrition or water without stopping the feeding program, or removing the reservoir from the hanger.

Food Safe Materials: All Compat Ella[®] administration sets are **DEHP, BPA and Latex-Free***. The Flexibaggle[®] 1.5L reservoir is made of Ethylene-vinyl Acetate (EVA), a soft and food friendly material.

Compatibility:

- Enteral feeding tubes: ENFit[®]
- Medication dispensers: ENFit[®]
