

Vitajoule™ scoop change

From May 2022, there will be a new scoop provided in the **Vitajoule 500g tub**

Previous scoop
provided with Vitajoule

New scoop
provided with Vitajoule

Just like the previous scoop, the new scoop will measure approximately **10g of Vitajoule** which provides approx **38kcal**.

Did you know? The scoop is made of Polypropylene (a material that is designed to be recyclable), which is in line with Vitaflo's ambition for 100% of its packaging to be recyclable or reusable by 2025. Check with your local authority for details on whether this item can be recycled in your area or for further information on how to dispose of correctly.

If you have any queries regarding the above, please contact your local Vitaflo™ representative or call +44 (0)151 709 9020.
