# DON'T LET OCCASIONAL HEARTBURN SPOIL YOUR PLANS

WITH DAILY SUPPORT<sup>†</sup>

**POWERED BY NATURE.... PERFECTED BY SCIENCE**

## DO YOU EXPERIENCE OCCASIONAL HEARTBURN?

We understand how these symptoms can be unpredictable, uncomfortable and exhausting. They can significantly impact your daily life.<sup>2,3</sup>

Many people try a range of methods, including changing their diet to help relieve their symptoms, but don't always get the results they want and may experience unwanted side effects.<sup>2,4</sup>

That is why we are offering you, HBgard™, a dietary supplement developed from **herbal ingredients** recognized and used by traditional herbalists to support **gastrointestinal health**<sup>†</sup>

## THE HBgard™ DIFFERENCE

HBgard™ is a new dietary supplement that helps manage occasional heartburn, blending carefully selected herbal ingredients to help soothe the digestive tract and support its health<sup>†</sup>

Combining deglycrrhizinated licorice (DGL) with:

- Artichoke leaf extract
- Marshmallow root extract
- Slippery elm bark powder

**POWERED BY NATURE.... PERFECTED BY SCIENCE**

**Licorice**

DGL helps support  
the stomach's protective lining<sup>†</sup>

- DGL helps support the health of the digestive tract<sup>†</sup>
- DGL is a form of licorice, in which glycyrrhizin has been removed to help avoid any potential effect on blood pressure<sup>†</sup>

**Artichoke leaf extract**

Artichoke leaf extract also supports gastric comfort<sup>†</sup>

**Slippery elm**

Slippery elm bark contains mucilage which helps soothe the digestive tract<sup>†</sup>

**Marshmallow root extract**

Marshmallow root extract contains a large percentage of mucilage which helps soothe the digestive tract<sup>†</sup>
